### 1. ...**"The two stars will collide and many will be fearful.**

There is nothing to fear because this is the greatest gift I bring so that not one soul is lost to the fires of Hell.

**Then, My Cross, will appear in the skies and not one person will fail to notice.**

**Many will fall down in fear and a great shaking, like an earthquake, will be felt.**

**Then will come the silence...**

**all those who have redeemed themselves in My Eyes will not suffer the pain of Purgatory."**...

When the sound of thunder is heard, a quiet calm will then descend over the earth and the stillness will be deafening. No sound will be heard – only the sound of My Voice imprinted on the souls of the wretched.

**The rays of red fire are the Rays of My Blood, the Rays of My Mercy, given to all of you as a gift of such magnitude that no man will be able to comprehend what is happening.**

...

**Many will feel the earth shake as if there is an earthquake.**

**The ground will shake, groan and many will fall down clutching whatever they can for shelter.**

**Yet the ground will not open up and swallow them. For this is not a physical earthquake but a supernatural one.**

...

**My Cross will appear after the explosion in the skies.”...**

6. ...”The great Mercy I will show you during The Warning is the solution for a New Era of Peace. Accept it and the **chastisement will be averted**. Reject it and only those followers of Mine can be saved. It will be **too late for the rest of you.**”
