There will be many **storms, floods and earthquakes** ahead."...

Wednesday, August 29th, 2012 @ 23:00

16. ...**"The atheists who will mastermind this plan are devout followers of Satan.**

Make no mistake - they idolise the beast and think nothing of the hurt and torment which their actions will bring about.

Their mission is to abolish allegiance to the one True God, the God who loves every one of the children He created. They will reject the efforts now being made from Heaven to save humanity from final destruction.

It will be by their hand that lightning, earthquakes and tsunamis will strike the earth.

They will be stopped."...
